I considered the language you shared with me. I believe this language may be best. We need to be able to know whether a person is at the address or not. To waive the notice requirement all together will not be acceptable to the federal DOJ program managers. Remember they must review and determine if we are in compliance.

This is the suggested language; will it work for you?

To be added to section 1724(b) (4):

Provided however, an offender who is required to register under this chapter, who is required to travel out of the United States more than three (3) times in a twelve month period, shall request a waiver from the Attorney General. The Attorney General may grant a waiver which will allow the offender to appear in person at the Department of Justice no less than five (5) days before the first trip to provide the information, thereafter the future trips may be advised by e-mail or telephone no less than 48 hours before departure.

He said one thing (multiple times) and did the complete opposite.

We will need to work through Dowe and White to get this accomplished. In the mean time, we will work with Vincent to give the discretion for status quo for you - that's the least he can do.

Sebastiano,

The St. Croix Foundation has developed a partnership with the New York State Police Academy to send two VI officers to their week long world renown Homicide Investigation Training Program. This is by invitation only. We have mainly have sent St. Croix Officers but have included St. Thomas officers in the past. We want to make this available to two St. Thomas officers this year. You can review the training on their website. (Williams Homicide Training Course) It is September 15-20 in Albany.

We need to Department to identify two officers, and the registration must be done by close of business Wednesday. (Registration ends Friday and I am leaving on vacation Thursday.) I am not sure of the exact cost, but the registration fee is usually \$800/attendee and we pay airfare and the first night hotel. The total has been approximately \$3500-4000 each year. We can register them on line from my office but need to have a source to fund all this. (My VIPD fund that we manage is depleted.) In the past, however, we have subsequently charged the VIPD training division and gotten reimbursed and created a revolving fund for subsequent years.

We look forward to working with you.

Roger

Hi Rich,

Can you please prepare a check for \$15,000 made payable to Governor's Special Events Fund. Thanks.

With warm regards,

Hi Jeffrey,

I have been fundraising for John's final State of the Territory reception on Monday night. I have raised \$15K of the total \$35K budget. Would you be willing to match that? John and I will cover the balance.

With warm regards,  
Cecile
